Experience Apartment Excellence

Degas Manor – Monet Manor – Monet Place – Oakmont of Algiers - The Pines of Gretna – Pines II

Make Ready Technician

Description:

Under the direction of the Maintenance Supervisor, the Make Ready Technician is responsible for preparing the apartments for new resident occupancy, assisting Maintenance Technicians as requested and maintaining community grounds, common areas and parking lots.

The technician will must be able to complete the following tasks

- Take trash out of unit,
- Check all appliances to confirm they work properly
- Replace air conditioning filters
- Check for plumbing leaks,
- Replace necessary parts if needed.
- Check light bulbs,
- Change toilet seats
- Check mini-blinds (determine if replacements are necessary)
- Change drip pans if needed.
- Evaluate 'wear and tear' on carpet and tile.
- Observe all ceilings to make sure there are no ceiling leaks or water stains.
- Change locks and make sure keys before new resident moves in (make laundry keys and mailbox keys).
- Report to Property Manager when unit is ready to schedule, cleaning, carpet and paint.
- Assist with the process of 'trashing out' units when a resident is evicted.

Criminal Background Check Required.
